## ANNUAL RECOGNITION AWARDS

The Mt. Adams area communities cannot function without the tremendous efforts of our many citizens. Giving Annual Recognition Awards is one way we have of recognizing some of the people who have made outstanding personal contributions. Our Chamber area covers Glenwood, Trout Lake, BZ Corners, Husum, White Salmon, Bingen, Lyle, Dallesport, Klickitat, the Underwood area, and all points in between. Please take time to think of someone whom you would like to nominate for one of the following awards.

List the contributions this person has made on a separate piece of paper. Please be specific in listing community, social, religious, charitable, and service organizations, including offices held. Nomination forms with no contributions listed will be disqualified.
